

Manufacturing

Our FAA-PMA approved facility can manufacture wire harnesses, build, and assemble kits to your specifications and configurations. We take into account all the parts needed for a successful and efficient installation.

And, as experienced installers, we know what it takes to install avionics; you get our experience in every ASG kit.

- All kits are designed and packaged with the installer in mind
- STC kits are FAA-PMA approved
- All kits come with all necessary inspection paperwork
- All kits are clearly marked to reduce installation time
- All wiring is laser-marked

Let Avionics Support Group's team support your staff the next time you need avionics installation kits. We specialize in rapid turn times on a variety of popular kits for a broad range of aircraft avionics including:

- Video Surveillance (VAS)
- Fiber Optic
- Electronic Flight Bag Kits
- Tablet Cradles
- Cockpit EFB Mounts
- Cockpit Data Voice Recorder (CDVR)
- Iridium SATCOM
- ADS-B
